Connects your patient to meaningful support

Kyowa Kirin Cares helps to get your patients from prescription to therapy. Once you enroll, a dedicated Case Manager will assist your patient.

Patient assistance

- A dedicated relationship that can provide additional support throughout their treatment journey
- Ongoing communication via phone/email
- Starter kit containing useful infusion day resources
- Provide resources to communicate needs
- Financial assistance options for eligible patients

Patient support services

	Phone calls	Emails
Week 1	Treatment Start: Starter Kit Content	Welcome / Intro to Kyowa Kirin Cares
	Information on the Disease / Condition	Treatment Plan What to Expect (Infusion schedule, logistics, time to response)
Week 2	Infusion Schedule, Logistics + Time to Response	Infusion Process + Infusion Related Reactions
Week 4	Drug Eruption	Monitoring Your Response
Week 8	Improving Communication with HCPs	Drug Eruption + What to Do
Week 12	Drug Eruption + Time to Response	Monthly Check-ins / Follow Your Treatment Plan + Resource Reminder (Ongoing prior to monthly nurse check-in)
Week 16 and beyond	Monthly General Check-ins + Resources	

Support services:

- Benefit investigations
- Prior authorizations and appeals support
- Billing and coding support
- Specialty pharmacy triage, or product sent directly to infusion location

Financial assistance options

Patient Assistance Program

- Provides qualifying eligible, uninsured patients with POTELIGEO at no cost for one year from date of program approval
- A 30-day supply will be shipped to the HCP every 30 days
- Patients must reapply every 12 months

Bridge Program

- “Bridges” patients who are on therapy during billing issues or a change in insurance
- Covers up to 90 days of therapy

Copay support

- Only available through the Kyowa Kirin Cares Program
- Commercially insured patients only (no Medicare/government insurance)
- Most commercially insured patients pay no more than \$0 for each treatment, with a \$10,000 annual benefit limit per patient per calendar year

Research and referrals to 3rd-party foundation assistance programs

- Provides your patient with relevant foundational assistance resources, as well as state/local/national agencies, organizations, and societies

Your patient’s Case Manager can provide them with information about their medication, help them stay on track with treatment, and connect them to available resources in their area, such as daily activity assistance, support groups, and transportation services (where available).

Patient resources

POTELIGEO Patient Brochure

Information about how POTELIGEO works, how it was studied, and how it is administered.

Choose your tunes guide
